Hey Keith, Eric Stanley was supposed to forward a list of the new positions after the last elections. It was probably supposed to come from me. I apologize for that. Here is the list.

President: Jay Ellis
First vice: Jim Foresman
Second vice: James Mayfield
Secretary: David Salinas
Treasurer: Eric Stanly
Chief Steward: Brian Dodds

Again I apologize for not getting this to you myself.

SMSgt Looper,

I received the official time report, thank you, however, Sgt Dodds is not a representative of the union. As you can see at the link below, there are only a couple people left who are authorized to represent the local.

I recommend coding his time as regular duty for that meeting. I would also deny future requests, unless he is added to the unions appointment letter.
